GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 27th September 1932.

Notice is hereby given that sealed tenders will be received at the Office of the General Superintendent, Sivasamudram, up to 2 P.M. on the 15th October 1932 for the supply of the following required in connection with VIII Installation Works :—

		Approximate quantity required.
1.	(a) Building Stones 18" long by 10" x 10" untrimmed, good quality answering the Marryots Specification	20,000 C.ft.
	(b) Building stones, 12 to 15 inches long, 8" to 10" thick and 10" broad, untrimmed, good quality, answering the Marryots specification	6,000 C.ft.
2.	Burnt stone slabs, 4" thick of different sizes	440 S.ft.
3.	Slaked lime, well burnt, free from stones, etc., ...	550 C yds.
4.	Sand, good quality, free from dust, etc.	880 C yds.
5.	Stone jelly, ¾" to 1" cubes	

P. S. Detailed information about the above may be had from the General Superintendent, Sivasamudram.

The tenders will be opened in the public at 2 P.M. on the 15th October 1932. The supplies should be arranged within a week's notice from the General Superintendent and as and when required by him and delivered at the workspot at the Bluff, Sivasamudram, free of all charges.

The rates should be in figures as well as in words.

Each tender must be accompanied by a deposit of Rs. 200 per each of items 1, 3 and 5 and Rs. 50 each for items 2 and 4 in cash or in Government Promissory Notes, as earnest money and be superscribed "Tenders for the supply of stone, jelly, lime, etc'," in default of which tenders will be rejected.

The final acceptance of any tender will rest with the Chief Electrical Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

Within eight days of the award of the tender, the successful tenderer will be required to execute the usual departmental cantract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

The name of the tenderer will be posted on the Notice Board of the General Superintendent's Office, Sivasamudram, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

The quality of materials to be supplied should be in accordance with Marryot's specifications and any that it is not in accordance therewith, will be rejected by the General Superintendent, whose decision is final, and the contractor has to replace the rejected portion immediately. The contractor shall also be bound forthwith to remove at his own expense all articles so rejected.

The General Superintendent will also have the right to approve of the Kunker before hand and also to examine the burning operations to satisfy that our requirements of specifications are fulfilled.

Should the contractor from any cause whatever become unable or fail to comply with any of the conditions of the contract, the Chief Electrical Engineer is at liberty to cancel the contract forthwith and the security deposit of the contractor shall then be forfeited to Government. Further, in the event of the contractor failing to fulfil the whole or any part of the contract within the time specified, the Chief Electrical Engineer shall have power to obtain or purchase such or similar materials against the said contractor in the open market at the contractor's risk and expense and claim damages the measure of which will be the market price on the date of such purchase less contract price and also levy an additional sum of 3 per cent on the value of the order as liquidated damages and not by way of penalty of each month's or portion of a month's delay.

The amount named in the tender will include all costs or claims whatsoever that may arise from the supply of the materials according to the terms of the contract. The contractor shall not be entitled to claim any concession whatever on account of any rise in prices or of the cost of labour or fluctuation of the market or any other cause during the period of the contract.

No allowance shall be claimed by or made to the contractor for any error of whatever description that may be discovered after his tender has been sent in.

C. M. CARIAPA,
Chief Electrical Engineer.

HASSAN DISTRICT.

Notification dated 24th September 1932.

It is hereby published for the information of the public that sealed tenders are invited from persons who are desirous of taking up the contract for the supply of articles, in quantities as per lists attached for the Barahazar Santarpane to be conducted by the officers of the Mysore Government at Subramanya in South Canara District, in connection with the ensuing car festival of Sri Subramanyaswamy during the Champa Shasti Festival from 25th November 1932 to 12th December 1932, and the feeding at Bisle Chattram during the same period, subject to the following conditions :—

1. The contractor should supply pure articles up to the sample.
2. He should store the articles in advance at Saklespur, at a place to be pointed out by the Amildar. The articles should be weighed and measured before the Amildar, or any other official or non-official to be deputed by him before they are packed up for despatch to Subramanya.
3. The contractor should arrange for the despatch of articles to Subramanya by 20th November 1932 at the latest.
4. The cart-hire at the rate prescribed by Government for the conveyance of the articles will be paid by the Amildar on submission of proper vouchers by the successful contractor. The Amildar will also give him the necessary help in procuring carts.
